Title and summary of the article in a foreign language (if the article is in a foreign language, the summary is in Lithuanian).

\*Citation of authors in the text: author's name and year of publication in curly brackets; if it is a quote, you need to add a page), e.g. (Surname, 2023, p. 1). Two authors are connected by the conjunction & in the text. If the author is mentioned in the sentence of the article, there is no need to repeat the last name in parentheses, it is enough to indicate only the year, e.g. "According to the Surname (2023)...".
